# UMT Fee Structure 2026

University of Management and Technology, Lahore, Pakistan
Six Undergraduate Programs - Detailed Reference Edition

**PROJECT REFERENCE EDITION - NOT AN OFFICIAL UMT FEE VOUCHER.** Figures are compiled from UMT's published Fee Structure 2026 page and the UMT BS Admission Guide 2026. Rows marked *derived* are simple arithmetic on those published figures. Items UMT did not publish in the sources reviewed are marked **Not published** rather than estimated.

## 1. General Information about Fee

UMT publishes its fee as a **Tentative Investment** for the whole degree, paid in **quarterly (half-semester) installments**: a 4-year BS programme has 16 quarters, so Tentative Investment = 16 x quarterly installment. UMT describes the figures as a general guide for Fall 2026 and states that **the program fee can be revised during the degree program**. Tuition is charged on the total credit hours of the programme, not on the number of years. Fees are for local students; overseas and international fees differ and are obtained from the UMT Office of Information and Admissions (OIA). UMT is a private non-profit university.

## 4. Payment Schedule and Deadlines

**4.1 Quarterly due dates.** Fall semester: on or before 1 September and 1 December. Spring semester: on or before 1 March and 1 June.

**4.2 First-year students.** The admission fee of PKR 30,000 is charged with the first fee installment.

**4.3 Mode of payment.** Fee is paid at the bank named on the fee voucher issued to the student (nationwide payment is available). Fee challans are reported to be payable at HBL and Meezan Bank branches and through their banking

apps. The Rs. 2,000 online application processing fee is paid via HBL deposit slip/voucher.

**4.4 Lump-sum option.** UMT's Payment of Dues page states students may deposit lump-sum dues at admission for a 15% discount on total tuition in a four-year programme. This page may predate the 2026 guide, so confirm it is still offered.

## 5. Late Payment Charges

| Item | Published rule | Source note |
|---|---|---|
| Late fee | Rs. 100 per day after the due date | UMT Payment of Dues page; the 2026 guide does not restate it |

| Default for two consecutive quarters | Student is liable to be expelled | Payment of Dues page |
| Clearance | Students must clear dues to register, attend classes, sit examinations and receive degrees | Participant's Handbook |

Unlike a tiered late-fee scale, UMT's published rule is a flat daily fine. Confirm the current rate with the accounts office.
